I am writing to express my interest in a [elective/medical placement] at [insert hospital or institution name here]. My name is [insert student name here], I am a [insert year of study here] year medical student at the [insert name of medical school/university here], [country] and I will complete the course and qualify as a doctor in [insert provisional graduation month and year here]. I have the opportunity to undertake a placement abroad as part of the undergraduate medical course and would therefore like to arrange a placement in Nigeria between [insert dates here].

By my [elective/placement] start date, I will have completed clinical teaching and experience in the following specialities: [edit as necessary - obstetrics and gynaecology, paediatrics, psychiatry, dermatology, orthopaedics, rheumatology, general practise, geriatrics, general surgery and medicine, ophthalmology, emergency medicine, neonatology, sexual health, public health, haematology, oncology and neurology].

[Here, include a few sentences to briefly explain why you would appreciate a placement in your desired speciality, city and/or hospital.] *E.g. I have a passion for women's health, and because of this passion one of my goals in life is to pursue a career in Obstetrics and Gynaecology. My core values lie in providing holistic and sustainable care to women in countries with fewer resources; this is in line with the values of 'Hospital Nigeria'. I am also excited to note the fertility services offered to the public at 'Hospital Nigeria', fertility medicine, I completed a research to assess the relationship between ethnicity and fertility outcomes of assisted reproductive treatment in the UK. Therefore an 8 week placement in 'Hospital Nigeria' would be an invaluable experience for my professional and personal development.*

The aim of this [elective/placement] is to [include your aim(s) here].

My objectives are:

1. [Include your first objective here.]
2. [Include your second objective here.]
3. [Include your third objective here.]
4. [Include your fourth objective here.]
5. [Include your fifth objective here.]

I thank you in advance and hope to hear from you soon.

Yours faithfully,
